

HBA SPARTANBURG MEMBER APPLICATION

HOME BUILDERS ASSOCIATION CODE OF ETHICS MEMBERS OF THE HOME BUILDERS BELIEVE AND AFFIRM

- Home ownership can and should be within reach of every American family
- American homes should be well designed, well constructed and well located in communities with educational, recreational, and religious facilities within reach
- American homes should be built under the free enterprise system

To achieve the goals we pledge allegiance to the following principles and policies:

- Our paramount responsibility is to our customers, our community, and our country
- Honesty is our guiding business policy
- High standards of health, safety and sanitation shall be built into each home
- Members shall deal fairly with employees, subcontractors and suppliers
- As members of a progressive industry, we encourage research to develop new materials, techniques, equipment and methods to the end that every purchaser may get the greatest value for every dollar
- All sound legislative proposals affecting the home building industry will have our informed and vigorous support
- We hold inviolate the free enterprise system and the American way of life. We pledge our support to our associates, our local, state and national associations and all related industries concerned with the preservation of legitimate rights and freedoms.
- We assume these responsibilities freely and solemnly, mindful that they are part of our obligations as members of the National Association of Home Builders
